

When The Trumpet Sounds

August 5, 2006

Joel Akin

1 Corinthians 15:52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

Where do I begin with this story. Do I tell you the humor of God? Lets see, it began with dream after dream of a Limousine coming and with each Limo was a Chauffeur. I believe the Limo's were various brands including Dodges. Now some may not think that is important so lets just say that sometimes God gives me clues and I then begin to dig for them. So lets see if I can figure this out. If you study the scripture the Bible speaks of the Ram's horn which is also called a Shofer or Shofar. The Shofer is a way of calling attention to the fact that some important event is about to take place. Now a limo called by God would indicate only one thing. There was a wedding taking place and I was invited and I needed to prepare myself for the ride of a lifetime.

Now lets look at Jeremiah 6 v 1 for he is saying "Blow the Trumpet in Takoa." A woman recently had a dream where Gabriel appeared to her and gave her the word Takoa. She didn't know what it meant and the dream interpreter didn't go deep enough so I went out and did research on it and found out it meant Trumpet or Horn Blast. Now lets think about this for a minute. Here we are wondering if there are any signs from God about the last days. Are there things happening in the spiritual realm and if so are we almost ready for the rapture? If I told you it might take place within a month would you be ready or prepared? Most of us would hear the horn or trumpet blast from the Angel Gabriel and we would wonder if it meant anything.

For me it does. I've had probably half a dozen dreams of a Chauffeur standing next to the limo waiting for me. In one dream I arrive at a royal wedding in heaven and am lead to the front. There are Royal Guests that I recognized including President Bush and family sitting near the front on the right side. The attendants were Gabriel and Michael the archangels and a man I believe to be Christ was standing at the alter with a woman I believe represented Israel. I believe these are signs that a royal wedding is about to take place.

So how ready are you? Most don't have a clue what is happening in the spiritual world but lets say that I do. I have been in prayer continuously for three years this month. Continuous prayer has taught me much about spiritual friendship and spiritual warfare. There has been a war and I've been involved. I can tell you that some strange things have taken place in the Second Heaven and some strange reversals have also taken place. I have personally battled against powers and principalities in high places and have been shown things through vision, inspiration, dreams and more. And this spiritual battle is coming to an end. It is a battle where those dark forces who held sin went out and fought against God and lost. Now if I told you that the scripture speaks of this event

2 Peter 3:10 But the day of the Lord will come as a thief in the night; in the

which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.

Now we are really getting deep here so pay attention. The Day of the Lord will come as a thief in the night.

1Thessalonians 5:2 For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

Why? A thief does not advertise his presence. He does not warn you he is coming. He slips in unawares and takes that which is most precious to you. So if Jesus steals that which is most precious what is it? The answer is us who have turned our hearts over to him.

So who of us is ready to be taken up in the rapture and who of us will be ready when these things come? Are we ready and if so are we prepared for the things we shall see? I think if we are wise then we will turn our lives over to the Lord tonight so we might prepare ourselves just in case the rapture does take place in the next month.

Whatever the case there is a wedding and we need to prepare ourselves for 'sudden destruction' which could refer to the earth being 'destroyed' by the fires that are the coming sign and not just Israel. Time will tell and I pray that I will be ready for the coming of the Lord Jesus Christ.
