

## The Vision in the clouds

July 17, 2006

time was just after six am

Joel Akin

I had been up late in spiritual warfare seeking to find answers from God. It has been difficult to hear as if there were spiritual forces jamming the communications. Despite this I've remained optimistic that God knows the battle and knows who and what is behind it.

Now I like studying the sky and this morning was no exception. There were some beautiful clouds and the sun rising in the east illuminated the Northern ones so they were bright white with golden tinge. So as I walked I looked and commented that looks like an angel and that looks like a man holding a ball. But as I remained in prayer and saw the clouds to the North I realized these were different. And I felt an impression in my spirit to study them and here is what the clouds showed me.

I saw a square thin tree that rose high into the air and then it branched out suddenly. On top of the wifty branches was a bed and on the bed was a young man/older child sleeping with his face towards the rising sun. At the base of the tree there was a woman and she faced the tree as if in prayer. I could not understand what she was doing but behind her was Satan or the devil, as he had horns, and he was holding out what looked like a half moon towards the woman. I could see by the expression on his face it was meant to frighten her. She refused to turn around or give heed to the object Satan was casting at her. She faithfully faced the tree and seemed to be in prayer.

I'm going to interject here that the half moon seemed to be an item created by Satan to frighten the woman away from her post. It should also be noted that I believe the half moon was a sign from God indicating the time of the season for almost directly overhead was the moon, a half moon.

Then the clouds began slowly changing and I continued walking forward. I saw that the loft at the top of the tree was gone and I saw the man, a young man, being lowered toward the base of the tree. I saw his face more clearly. He had the face of an angel. It was smooth with youth and maturity This next part was exceptionally clear as if I were watching a video. The man/youth

was lying on a spike nail. It was very large nail with a anvil type head and the spike was long and squarish but tapered towards a needle fine point. I saw the woman turn towards me and she was dressed in dark robes and on her head was a beautiful crown. The spike was lowered flat wise, above and behind her as she looked towards me. Then it lowered, the weight of the young man and the huge spike pressed upon the back of the woman's head. It were as if she were bearing my pain and I cried and prayed "God help her" for that weight pressed against the back of her head.

I looked towards where Satan was and he had released the half moon. It turned slowly towards me and was revealed to be a mask, the type used in theater, a large scary mask. His power was revealed as a braggart and there was no authority in him.

I stood transfixed by this spectacle and wondered what would happen next. I saw the young man and he had fallen to his knees. His hands were clasped together as in prayer. A giant frog was breathing upon his hands and I could see that they were being bound. There was a crown upon the frogs head. I turned towards where the Devil lay and the devil had been transformed into a dragon in flight and the dragon was breathing fire upon four stars. The four stars were above the crown of a second frog prince which was standing behind this bound young man. I could no longer see the woman but she seemed to support the young man in some way. To me it seemed as if she were in prayer.

I then looked down and there I saw the head of an alien

creature. It had a narrow chin and a big head with big dark eyes and a small mouth but it covered the sky. It had two long tapering arms and one was holding a finger to the top of his head and out of its mind arose this story that I had witnessed. My interpretation of this was that this grayish white alien was the mastermind behind this trouble.

Some may question my imagination and even the purpose of this 'cloudy vision' but I will answer that there is a God above all Gods who knows the needs of His children. Though this 'vision' was clear to me I feel like it needs Biblical backup. So lets look in scripture.

Revelation 12:1 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars:

In my vision the sun covered her with light. The moon was above my head and there was a crown upon her head but I was not able to count the points which I saw.

3 And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.

4 And his tail drew the third part of the stars of heaven, and did cast them to the earth:(Note: The Frog Princes behind the young man held four stars or 1/3 of 12 stars in the crown of the woman.)

11 And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

Whoever this young man represented he lay upon the spike which represented the 'nail' used in the hands and feet of Christ. The woman was there praying for him and helping to bear the weight of that 'nail' upon her head. This speaks of the persecution which the woman suffers because of helping to bring forth the man child. The young man seemed tied to the spike until the woman bore his weight for a time. Then he became more independent but was held bound by one Frog Prince. And there seemed to be a conspiracy behind him with the dragon and the second Frog Prince who held four stars in his crown.

12 Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

13 And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child .

16:13

"And I saw three unclean spirits like frogs come out of the mouth

of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty." (Rev. 16:13, 14)

(In my cloud vision I saw only two frogs both with crowns upon their head. The one nearest the dragon was the only one with stars, two\*\*

two\*\*

There could have been a third frog where the woman had stood. The purpose of the frogs was to hinder the young man in his prayers. Their power seemed to come from the dragon. They have a royal connection as both of the frogs wore crowns. As Frog Princes they represent spiritual powers of opposition against the work of God.

15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments,

lest he walk naked, and they see his shame.

We seem to be entering into a time when Jesus himself will return with the sound of the last trump.

2Peter 3:10 But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.

So let us be ready that we be not ashamed at His appearing.
