

Being in the soul of time

Jeremiah 30:7 Alas! for that day [is] great, so that none [is] like it: it [is] even the time of Jacob's trouble; but he shall be saved out of it.

The like of Jacob. It is the sound of trouble. Not in the mulberry but in the thorn. For if Jacob wrestled with the Lord he had to face a price. One which lead to him limping. Yet if the Lord gave the prize to Jacob it is the time of life.

Jacob had the coil called a ladder. It was in a sense like the Jacobs coil of our day. It is a product of time but the gist is to increase the voltage and current into a spark. This spark could ignite an engine or a product. Of course there is also Jacob and his ladder. This is the point of a dream for he saw angel upon angel and they were going up and down the ladder.

As a Christian I fought with one of those angels in prayer. It had a name called Tshaka. He was a price of pain and suffering. He was an ent in sty but a way in time. He was the one who took the ion and stripped it down so it became a cat. The cat fell and was cursed.

Now that is a prophecy but also a reality. It is the price of Tshaka and his domain. It is the price of knowledge. It is the price of long prayer to find the problem which lead to our depletion of knowledge. It was the source of gra and the gra was the force of things multiplied.

Like the price of grass so the price of it was in fur and fur is the static which arises from the earth. It is the prize of the high calling for cat is the name of Hope. From her came forth a new legacy. It was hope of the creature. Paul wrote of it in Romans 8:20. It is the hope of the creature which was preached to. We were part of the creature yet we were also part of the calling to the men of this age. We had a gift in writing and it was the gift that was like Paul. Paul wrote of the season of time spent in prayer. I fought for the right to understand and that was the reason men did not rise up. We were cast down when our energy was depleted.

Yet that casting down was also mentioned as part of scripture.

2Corinthians 7:6 Nevertheless God, that comfoteth those that are cast down, comforted us by the coming of Titus;

Cast down comes to those who pray without ceasing. They can expect that the enemy comes in like a flood yet our raising of our standard is the base of prayer. When we are cast down we create an order to set aright the continual casting off of heaven in prayer. That was the continual, ceaseless form of prayer.

It was the lee of life and the creation of life in the form of hope that we had a way to be more then grass. We had flesh yet the spirit of God or the Spirit or the SPIRIT moved depending on us. We were flesh yet like Christ who dwelled on earth we had a fight to the death in the world we call earth.
