

If the buy is over

Genesis 43:2 And it came to pass, when they had eaten up the corn which they had brought out of Egypt, their father said unto them, Go again, buy us a little food.

What are we to do when the buy is done? How many of you have prepared? How have you? Have you bought oil? If so have you bought it in bulk?

Now the answer to buying is to be in stock. Stock isn't the stock of men but the buy of God. God made men and men are the bite of a story. They are the bite of things. They are the bite of men in the sea. In the sea are dark and able. Dark is the story of life in Sin and sin was the bite of us who ate of the fruit. Able wasn't the story of Adam and his child but the ability of life to examine and be. Thus if I, one man, can fight, can I not, with God, overcome?

If I can then why haven't we? We claim to overcome but who has? If I say I have you laugh but the truth is I have. It will be awhile before anyone reads this but I wanted you who read it here to know God is not mocked.

God knows I have been hit by a spirit. He knows the spirit is buy and bi. The buy is famine and the bi is both. Both is when he goes after me and after a house. The house is the bi of the house of sin in the sea and that is of angels who fell. They were those who long and lifted up their head to God in prayer. They fell and were hit by a dark force which none could or did know before. It was a spirit of darkness.

Now the point of able is to be in ability to buy when the sea of life is caught up to be with God in the air. The sea of life is the but or butt of things and that is life in sea of Sin or sin depending on who you are in Christ. If you are in Christ you are to be set free of sin and will be set free of time in a moment. If you are in Sin it will be those who remain to work and it will be a long time before any see God.

Now I have fought to be free of Sin and Sin is the bit of men in the house of prayer. Sin is the buy and bi of life in the mind of those who pray but go out and do vile things to the neighbors. Sin is the bi in name. He is the bi of gift and gab and gift in the sea but gift in the plea. Thus in the future God will let them read but for now they will exist as jist or gist and the jist is the desire of die and death on the sour puss of life and the gist is the grist for the mill.
